Linux	AWS
Bash Scripting	Firebase
Git	Docker
	Flask
Wordpress, Webflow	
Squarespace, Shopify	Asana, Trello
	Final Cut Pro
CRM	
Accessibility	AI Prompts

## PROFILE

The technologies I encountered during a career in startup marketing led me to return to school, trading ad copy for api docs.

Fortunately, skills like creativity and clarity carry over pretty well.

## WORK EXPERIENCE

STUDENT TUTOR

**GKFF / Holberton School Tulsa**

2022 - Present

- Tutored diverse range of students in groups and one-on-one
- Wrote and gave talks to hundreds of students on technical topics

VP MARKETING / HEAD OF PARTNERSHIPS & DEVELOPMENT

**GiftAMeal**

2018 - 2023

- Led B2B sales execution and strategy at hunger-fighting hospitality marketing startup, taking from 70 to 270 clients
- Redesigned sales materials and pricing strategy, leading to 5x increase in higher-tier service signups
- Led migration of CRM and website systems
